**CAMPFIRE:** Enjoy the warmth of a campfire as well as the tastiness of a good s'more! Volunteers assist in the s'more setup and clean up as well as lead some songs and stories.

**CARNIVAL:** What better way to wrap-up a day than with a party?! Volunteers sign-up for a station/booth at our Camp Carnival; stations include face painting, snow cone making, BINGO calling, and more!

**MINUTE TO WIN IT:** Nothing brings the campers together more than some MTWI challenges. Volunteers help setup and demonstrate simple games that encourage the campers to work together to accomplish a challenge ... in a minute!

**NIGHT HIKE/STARGAZING:** Getting outdoors on a cool night is such a treat so after some of our evening activities, we take a camp wide Night Hike to Stargazing where songs and stories bring the campers together under a blanket of stars.
