# Totem Poles

The  
**Totem**  
is a **symbol** that serves  
as an emblem  
for a group of  
**Native American**  
people.

**Totem Poles**  
tell **stories** about  
and symbolize **characters**,  
important **events**,  
**lessons** learned, **beliefs**,  
or the **origin** of a **tribe**.

Each **image** carved  
into the wood has a  
**special meaning**

and  
contributes  
to the  
whole **story**.

At **Camp John Marc**,  
the two **Totem Poles** symbolize and tell the **story** of a **unique** place  
and a **special** group of people: **Camp John Marc** and its **campers**!
